- ✓ Be assertive – speak up and seek clarification when you do not understand something.
 - ✓ Be polite – if you question something that the instructor has said or something s/he has graded, kindly ask him/her to re-check it.

Exam Policy

Exam attendance is critical and required at the schedule time and day. If you have a last minute emergency, you will need to provide appropriate documentation. Make-up exam must be re-scheduled within 24 hours of the missed exam date or no credit is given. Advance holiday plans or airline reservations are not acceptable reasons for re-scheduling the planned exam date.

Academic Integrity

School demands the highest standards of conduct from students, faculty and staff. All students are expected to be the highest character and to behave honestly in their learning and in their behavior outside the classroom. Students are responsible for knowing and understanding these standards; misunderstanding of the appropriate academic conduct will not be accepted as an excuse for academic dishonesty. If a student is in doubt about appropriate academic conduct in a particular situation, he or she should consult with the instructor of the course and the program director.

Academic dishonesty or cheating includes acts of plagiarism, forgery, fabrication or misrepresentation, such as the following:

- ✓ claiming the work or thoughts of others as your own
- ✓ copying the writing of others into your written work without appropriate attribution
- ✓ writing papers for other students or allowing them to submit your work as their own
- ✓ buying papers and turning them in as your own
- ✓ having someone else write or create all or part of the content of your assignments
- ✓ submitting the same paper for more than one study or class without explicit permission from the faculty members

Students who falsify or present falsified documents may be dismissed. Prospective students who are discovered to have presented falsified admission documents prior to admission shall be denied admission to the program. Should it be discovered after admission that a student had presented falsified documents for admission, such admission may be annulled and the record of academic achievement removed from the academic record, with appropriate notations. Such annulments or denials may be reviewed after one year.

Course work (a quiz, assignment, report, mid-term examination, research paper, etc.) in which a student has been dishonest generally will receive zero points towards the grade in fulfillment of a course requirement, and/or the student may receive a failing grade for the course. The professor of the course determines the appropriate consequence.

When a student cheats in a major or final assignment such as a comprehensive examination or presents plagiarized material in a major or final assignment, that student shall receive an F in that particular subject. Student cheats on more than two exams shall be dismissed from School.

Grades

Grades are considered final when they are submitted to Academic Services. Students should ask their instructors for explanations of their grades if they believe errors were made. Students could consider filing an appeal to the Academic Committee and ask for judgment if they believe they were treated unfairly. Though students are entitled to an explanation of their grades, they should be careful not to harass instructors. Repeatedly calling an instructor about a grade or a few points on an exam or telling an instructor that a certain grade is needed could be considered harassment.
